

# THE EVIDENCE FOR JESUS CHRIST

There have been numerous newspaper and magazine articles on "Proving the Existence of Jesus Christ" - Let me say I hope and pray no one in all of history, now or in the future, find an iota of proof of the man Jesus Christ, for if it is found by some way that he truly existed then, on that day, I would no longer have to have faith - for God's Word says in Hebrews 11:6 "You can never please God without faith - without depending on him - anyone who wants to come to God must believe there is a God and that he rewards those who with sincerity look for him"!

To take it a further step, I have all the proof I need of his existence!

Here are 33 solid facts:

- 1) He and He alone changed my direction in life 180°
- 2) Out of twenty billion plus humans who have lived and died these last two thousand years, his name is the only one that still appears in the headlines

- 6) His name alone is on the Internet more than any person ever born or will ever be born
- 7) Our year, 2004, is based upon his life - 2004 years ago + BC = Before Christ + AD = After Death
- 8) His life two thousand years ago is what keeps the doors open to retail Christian book stores to this day, not to mention the reason for their existence
- 9) His words resonate in the walls of churches one day a week around the globe and, in many cases, seven days a week.
- 10) He is the center of what heals humans in the countless support groups.
- 11) His life is what frees the prisoner from the life they led.
- 12) He is the center of attraction to half of all humanity to this day.
- 13) If not for His life, where would humanity turn to for contentment, peace and salvation?
- 14) Governments worldwide give a legal tax deduction for monies given to charitable causes in his name.

- 19) K through colleges are open to multi-thousands to learn about how to live out their lives according to His words.
- 20) Men and women give up the pleasures of life to go out to the world to be missionaries in teaching the principles he sat down.
- 21) If not for Him, we would not have the Red Cross/ Salvation Army/ and a host of others that serve the hungry - poor - the down and out.
- 22) His name is on the walls and halls of hospitals/ nursing homes/ prisons/ war rooms/ courts/ universities/ and a host of other buildings throughout the world.
- 23) Two days a year, Christmas and Easter, worldwide honor His name.

- 32) More people have been cured of an illness because of His name than all the prescriptions ever conceived in mankind's mind.
- 33) More miracles have taken place in His name than anyone ever born to humanity.

— AND YET! —

We have no proof he actually lived - we have no DNA to look into - there is no birth certificate of Him - there is no death certificate of Him. We know of His life from his birth then jumps to his age 30 to 33. There is no grave to go to in order to find his remains. We have no genealogy records from his death forward. We have no dental charts. No medical records on Him. No bank accounts to trace. No employment records/ no Social Security number to look into/ no passport/ no green card/ no military records.

He has no mailing address

He wrote nothing about himself

There are no cassettes/ CDs/ videos of Him or voice

on record

He had no phone number to trace

No school records

No scholarships

No license records

No payroll stubs - 1099's - W2's

No tax payment records

No assets to add up

No property ownership records

No church membership records

No citizenship records

Our only proof is eight men who claimed they saw him/ walked with him and then wrote down their experience with Him and a few men who wrote of Him after his resurrection!

How much more proof do we need! And do I think He existed - No doubt it for who else but Jesus could have done what he has done for this species called humanity, which He alone created!

P.S. The more proof the world can gather, the less faith one needs to believe! Thank God for faith without proof.
